FLEXA

LIGHTING

NORTH AMERICA

Founded in Florence, Italy, Flexalighting designs and manufactures high-end architectural lighting solutions for indoor and outdoor environments. Focused on developing miniaturized, high-quality, reliable lighting tools, combined with a strong customer-centric approach, Flexalighting quickly became a premium player in the global market spanning more than 60 countries. In 2017, Flexalighting North America opened a facility in Vancouver, Canada, where catalog products and bespoke solutions are engineered and produced in compliance with regional technical and installation standards.

AIMEE 6

design: Jude Allen

2400K	413 lm	3500K	557 lm
2700K	526 lm	4000K	550 lm
3000K	550 lm		

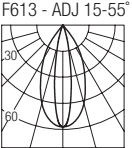

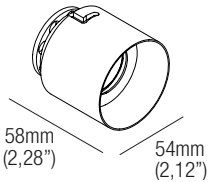

DOWNLIGHT
IP20
9V
4,5W

A recessed downlight engineered for precision. Advanced zoom optics. Premium color LEDs. For general and accent lighting. Sharp focus, or wide beam—at your fingertips.

AIMEE 6 TRIMLESS

design: Jude Allen

2400K	413 lm	3500K	557 lm
2700K	526 lm	4000K	550 lm
3000K	550 lm		

TRIMLESS DOWNLIGHT
IP20
9V
4,5W

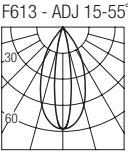

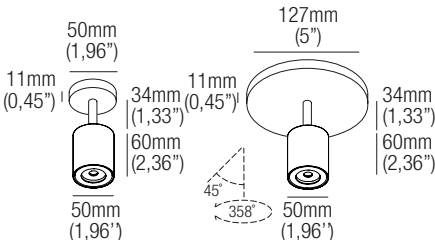

The trimless iteration of Aimee 6.

AIMEE S6

design: Jude Allen

SURFACE PROJECTOR
IP20
9V
4,5W

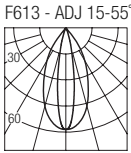

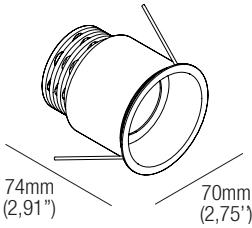

2400K	413 lm	3500K	557 lm
2700K	526 lm	4000K	550 lm
3000K	550 lm		

Surface-mounted Aimee range in an adjustable projector design. Flexible mounting options for remote or local power. Precision aim and zoom for tailored illumination.

AIMEE 10

design: Jude Allen

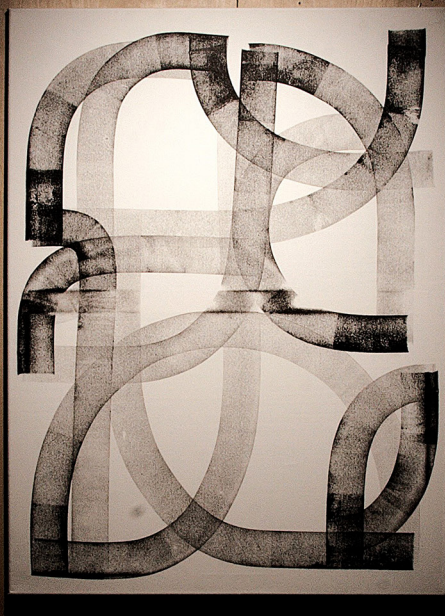

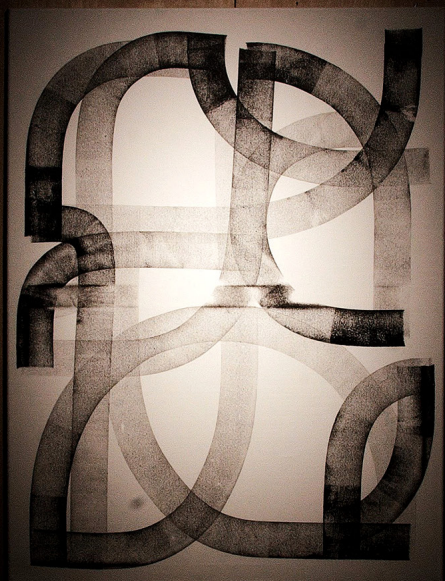

2400K	732 lm	3500K	1135 lm
2700K	1069 lm	4000K	1119 lm
3000K	1121 lm		

DOWNLIGHT
IP20
18V
9W

The Aimee downlight in a larger format for maximum luminous flux. Clean, unobtrusive design. Effortless zoom for precise light shape. Recessed optics for glare control.

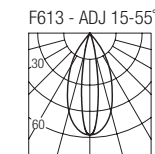

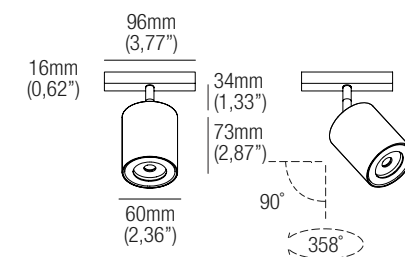

AIMEE X10

design: Jude Allen

LV TRACK PROJECTOR
IP20
24VDC
9W

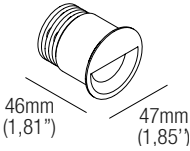

2400K	732 lm	3500K	1135 lm
2700K	1069 lm	4000K	1119 lm
3000K	1121 lm		

The Aimee range of adjustable beam luminaires, engineered for low-voltage track systems. A discreet projector for effortless plug-and-play integration. Available in 4,5W.

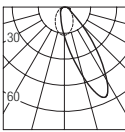

DIP 6

design: Jude Allen

F617 - Wall Wash

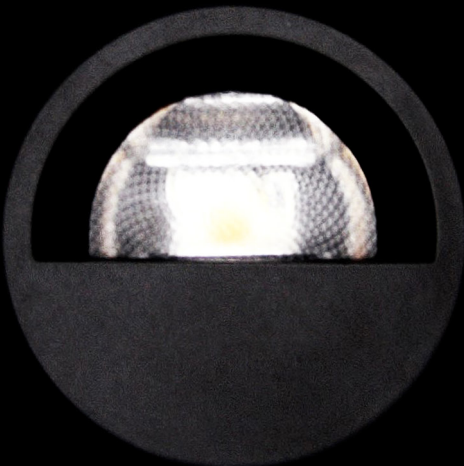

2400K	404 lm
2700K	514 lm
3000K	539 lm

3500K	545 lm
4000K	538 lm
DW	365 lm

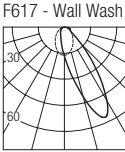

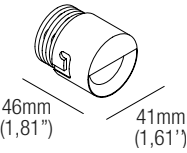

DOWNLIGHT
IP20
9V
4,5W

A small-diameter recessed wall washer in an ultra-shallow form factor. High-performance asymmetric optics in a miniature design. Premium construction, refined materials.

DIP 6 TRIMLESS

design: Jude Allen

2400K	404 lm	3500K	545 lm
2700K	514 lm	4000K	538 lm
3000K	539 lm	DW	365 lm

TRIMLESS DOWNLIGHT
IP20
9V
4,5W

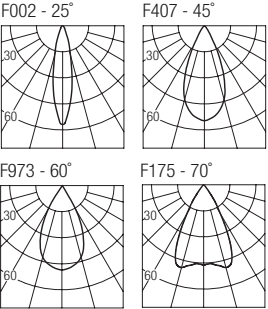

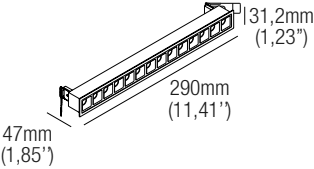

Compact and trimless. Advanced wall washer optics for perfect illumination. Machined from premium alloy with sophisticated geometry, built for performance and elegance.

ESME PRECISION R10

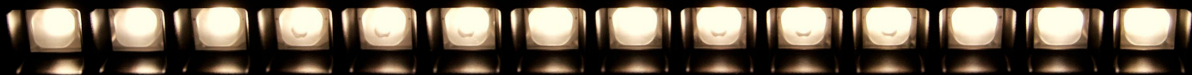

design: Jude Allen

LINEAR RECESSED
IP20
24VDC
10W

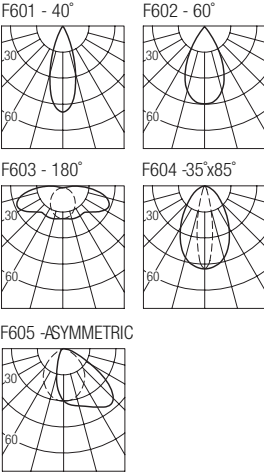

2700K	946 lm
3000K	1005 lm
3500K	1081 lm
4000K	1157 lm

A recessed linear module. High-efficiency, premium color LEDs. Precision dark light optics. Designed for general and accent lighting. Ultra-low glare for pure visual comfort.

ESME PERFORMANCE R10

design: Jude Allen

LINEAR RECESSED
IP20
24VDC
10W

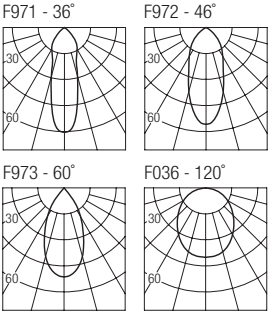

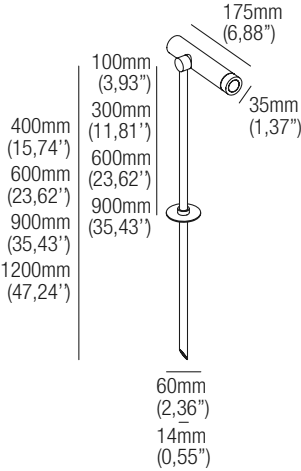

2700K	825 lm
3000K	865 lm
3500K	890 lm
4000K	950 lm

A recessed linear module built for performance. Compact and discreet. Best available quality chipsets. Simple integration, advanced mirco optics, extensive applications.

RENÉ

design: Roberto Mantovani

2400K	728 lm	3500K	1130 lm
2700K	1064 lm	4000K	1114 lm
3000K	1116 lm	DW	630 lm

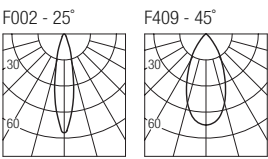

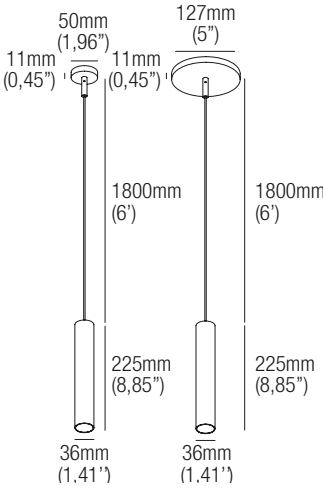

BOLLARD
IP65
18V
4,5-9W

IP65 bollard projector. Adjustable body with discreet wiring. Select the stem length for unique iterations and arrays. Built for harsh environments. Configure at 4,5 or 9W.

LINI P6

design: Jude Allen

2400K	406 lm	3500K	548 lm
2700K	517 lm	4000K	541 lm
3000K	541 lm	DW	358 lm

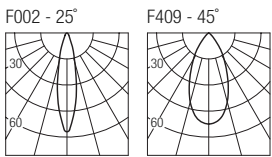

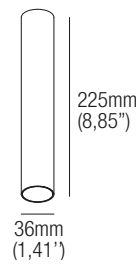

SUSPENDED
IP20
9V
4,5W

A precision-crafted cylindrical pendant with minimal geometry and zero seams. With high-performance optics and an ultra-deep recessed lens for maximum visual comfort.

LINE S6

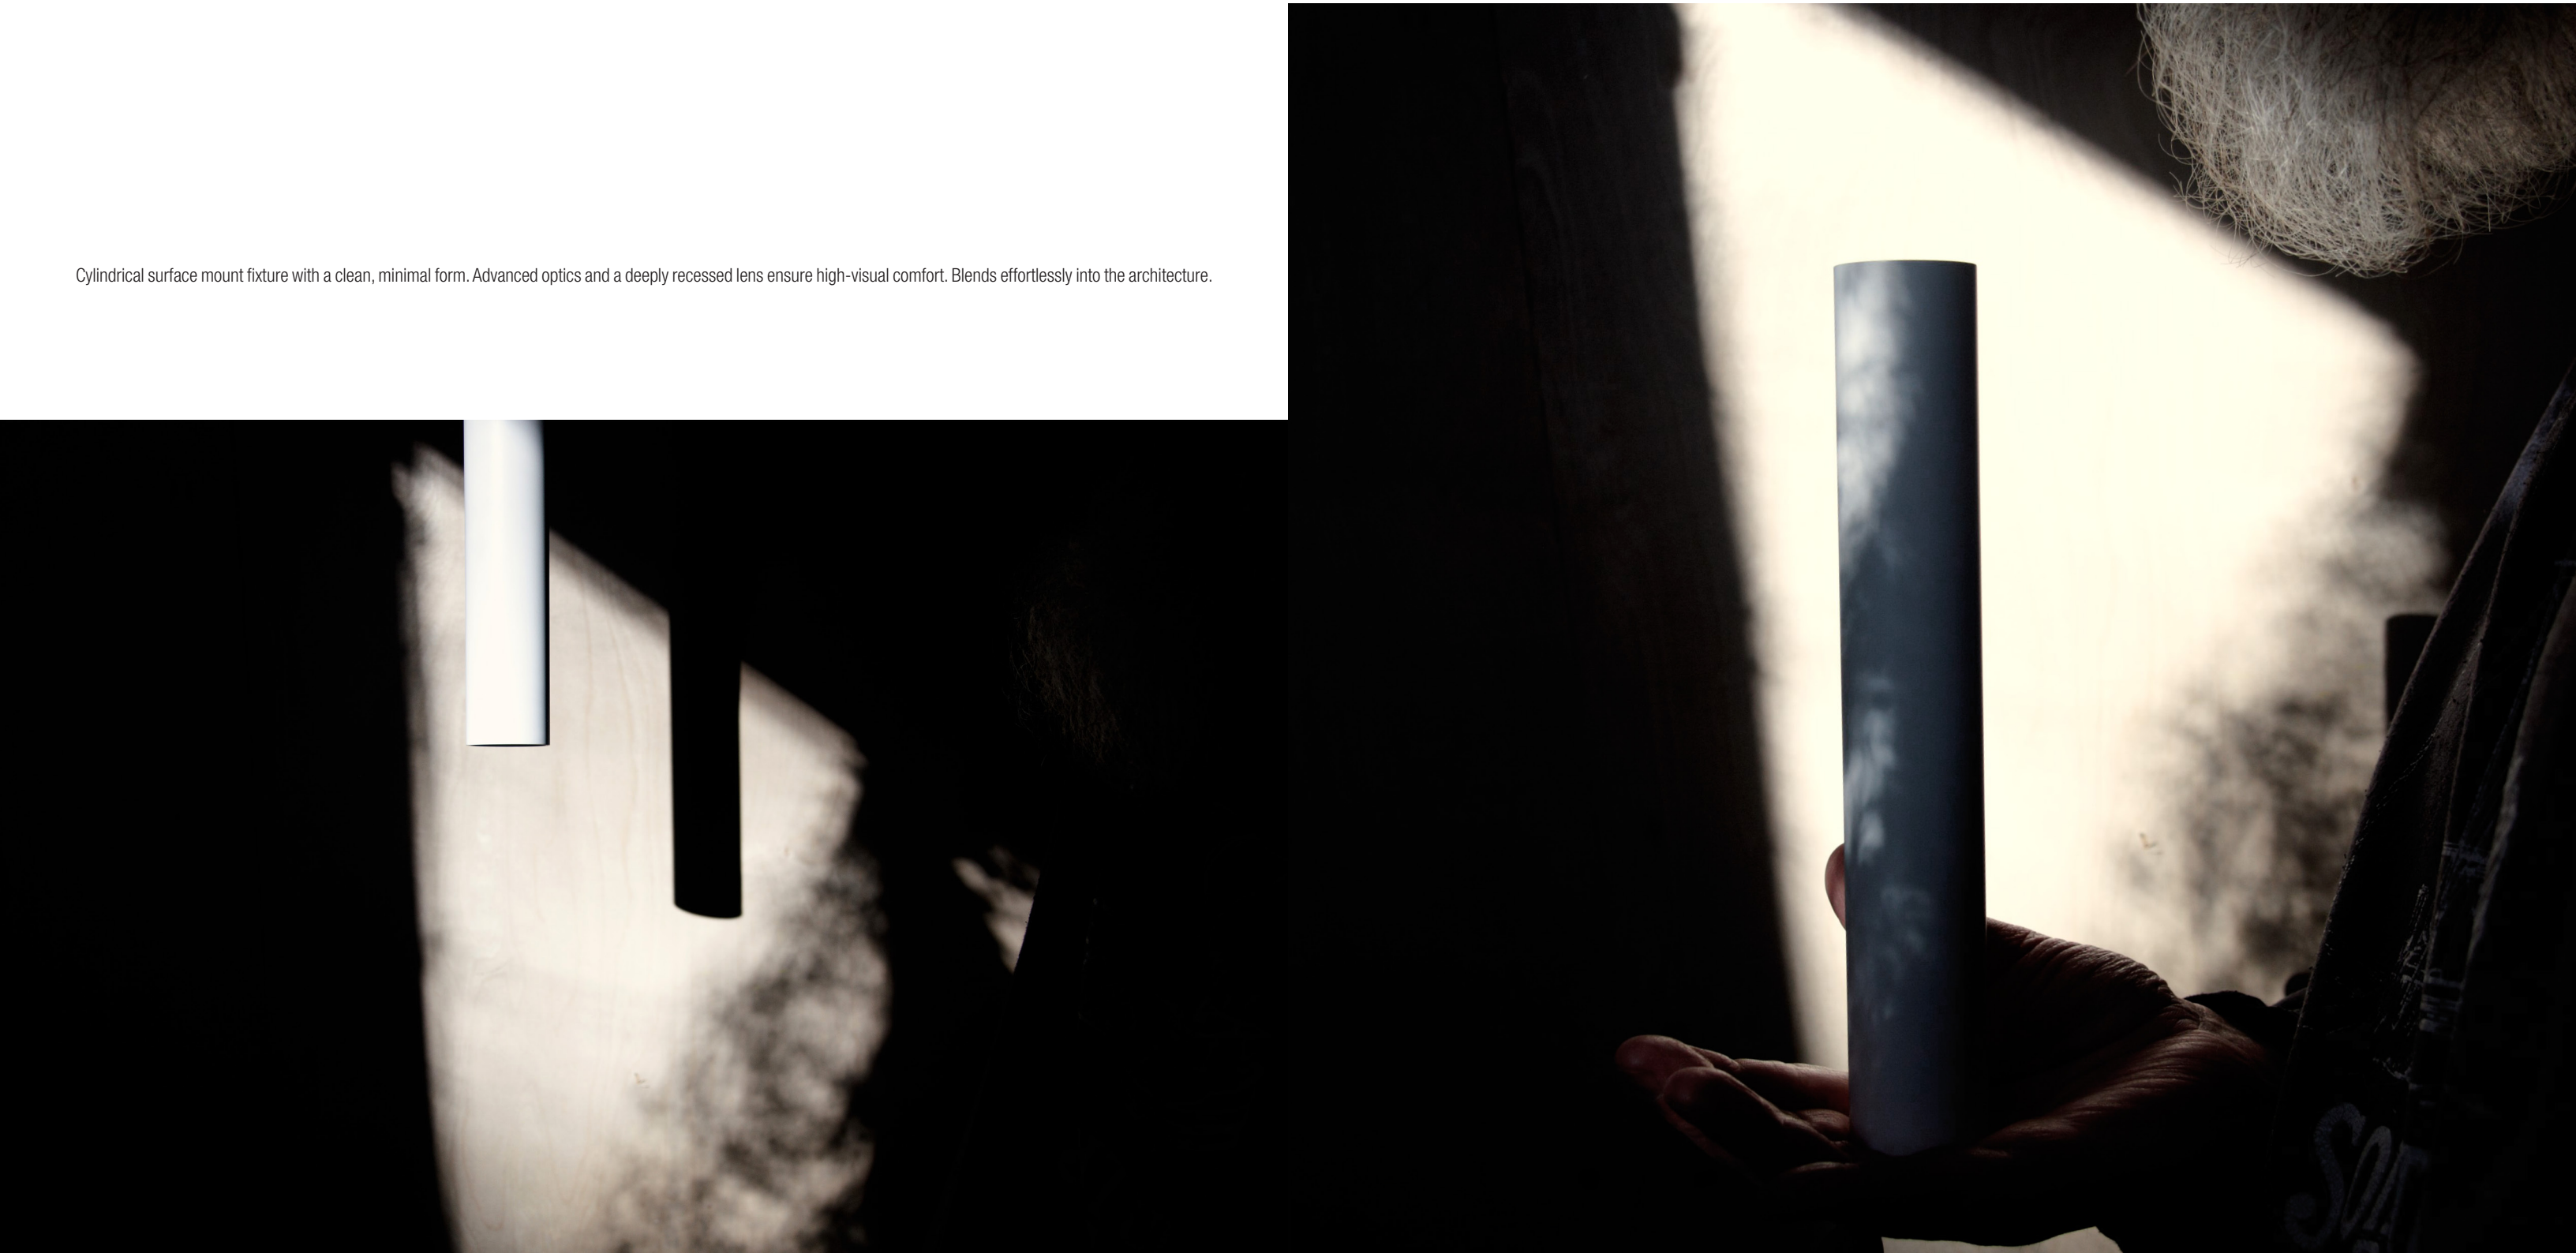

design: Jude Allen

2400K	406 lm	3500K	548 lm
2700K	517 lm	4000K	541 lm
3000K	541 lm	DW	358 lm

SURFACE
IP20
9V
4,5W

Cylindrical surface mount fixture with a clean, minimal form. Advanced optics and a deeply recessed lens ensure high-visual comfort. Blends effortlessly into the architecture.

design: Jude Allen
